## Hands-on Activities

Join us as we focus on giving back this season with hands-on activities that will benefit this year's selected charities. It's one of the best ways we know to catch up with old industry friends, make some new ones, and enjoy the benefit that giving back brings to all of us.

We will be assembling trail mix goodie bags for children's lunches! The bags will be handed out at the nightly dinners served by Bracken's Kitchen and will serve as an unexpected special treat for the kids while at school.

What better way to show an animal rescue some joy this holiday season than by being elves ourselves and making dog toys! We will be using strips of dog's favorite fleece fabric to knot strong toys together to give to our animal rescue friends to play with over the holiday season.

To support families whose children suffer from life-threatening illnesses, diseases and disorders, we will be bringing joy and warmth to these children by making blankets to be included in holiday gift baskets. These blankets will be hand tied by our attendees and made with love to provide a sense of home and comfort when it is needed most.
